

MOPA photoauction

thank YOU

Thank you for considering to partner with the most visionary event of the year, Photo Auction 2017. Featuring vintage and contemporary works by various photographers, this spectacular event includes silent and live auction pieces as well as a cocktail reception with culinary sensations by esteemed Chef Andrew Spurgin™.

Support raised from this event will help the Museum of Photographic Arts fulfill its mission and inspire, educate and engage the broadest possible audience through the presentation, collection, and preservation of photography, film, and video. Please consider supporting our efforts as we celebrate the power of photography.

photo AUCTION

Photo Auction 2017 will be held at MOPA on Saturday, October 14, 2017. Proceeds from the auction will provide essential support for MOPA's learning programs, and permanent collection. Additionally, this is the premier opportunity for collectors to grow and build their collection with cutting-edge photography.

MOPA is proud to honor our partners by building a relationship that is beneficial for all participants. Together we will build exposure for your business and recognize your commitment to the community and San Diego County; while staying aligned with one of the premier arts organizations in the nation and connecting to culturally engage local and national audiences. Your support will expose your brand to a diverse, culturally savvy audience on a local and national level; affords company executives insider access to the museum's top individual donor and high-level partners.

about MOPA

A cultural icon for over 40 years, MOPA has earned an international reputation for excellence. The museum is a vibrant center for visual learning, with a track record of producing exhibitions and publications of global significance. An active schedule of programs enhances the exhibitions, bringing renowned artists, critics, and scholars to present lectures, classes, workshops, and films every year. Located in historic Balboa Park, MOPA includes flexible gallery space, an educational classroom, a 226-seat theater, library, print-viewing room, archival facilities, and support areas.
